for lunch and a time of remembrance immediately  
following the committal services.*

Mr. Duckie was born on May 28, 2000, to Kay Mart in Sioux City. He was adopted shortly after his birth by Michael and Lynn Buth of Danbury and spent countless hours bobbing around with his swimming buddies, including the Buth children, Nick, Justin, Ashley and Logan.

Mr. Duckie immensely enjoyed his life in the pool. He spent his winters in the snow, sometimes going to the garage. He loved basking in the sun.

Left to enjoy their memories of Mr. Duckie include his adoptive family, and many duckie relatives.
